BLUE CROSS AND BLUE SHIELD

Your Group has entered into an agreement with us (Health Care Service Corporation, a Mutual Legal Reserve Company, the Blue Cross and Blue Shield Plan serving the state of Illinois) to provide you with this benefit program. Like most people, you probably have many questions about your coverage. This Certificate contains a great deal of information about the services and supplies for which benefits will be provided under your benefit program. Please read your entire Certificate very carefully. We hope that most of the questions you have about your coverage will be answered.

In this Certificate we refer to our company as “Blue Cross and Blue Shield” and we refer to the company that you work for as the “Group.” The Definitions Section will explain the meaning of many of the terms used in this Certificate. All terms used in this Certificate, when defined in the Definitions Section, begin with a capital letter. Whenever the term “you” or “your” is used, we also mean all eligible family members who are covered under Family Coverage.

If you have any questions once you have read this Certificate, talk to your Group Administrator or call us at your local Blue Cross and Blue Shield office. It is important to all of us that you understand the protection this coverage gives you.

Welcome to Blue Cross and Blue Shield! We are very happy to have you as a member and pledge you our best service.

ELIGIBILITY SECTION

This Certificate contains information about the dental care benefit program for the persons in your Group who:

- Meet the definition of an Eligible Person as specified in the Group Policy;
- Have applied for this coverage; and
- Have received a Blue Cross and Blue Shield dental ID card.

If you meet this description of an Eligible Person, you are entitled to the benefits of this program.

YOUR BLUE CROSS AND BLUE SHIELD ID CARD

You will receive a Blue Cross and Blue Shield dental identification card. This may be in addition to your Blue Cross and Blue Shield identification card, if applicable. This card will tell you your Blue Cross and Blue Shield dental identification number and will be very important to you in obtaining your benefits.

INDIVIDUAL COVERAGE

If you have Individual Coverage, only your own expenses for Covered Services are covered, not the expenses of other members of your family.

FAMILY COVERAGE

If you have Family Coverage, your expenses for Covered Services and those of your enrolled spouse and your (or your spouse's) enrolled unmarried children who are under age 26 will be covered.

Enrolled unmarried children will be covered up to age 30 if they:

- Live within the state of Illinois; and
- Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
- Have received a release or discharge other than a dishonorable discharge.

If your child becomes ineligible, his or her coverage will end on the last day of the period for which premium has been accepted.

Your enrolled Domestic Partner and his or her enrolled unmarried children who have not attained the limiting age stated above will be covered. Whenever the term "spouse" is used, we also mean Domestic Partner. All of the provisions of this Certificate that pertain to a spouse also apply to a Domestic Partner, unless specifically noted otherwise.

Any newborn children will be covered from the moment of birth. Please notify your Group Administrator within 31 days of the date of birth so that your membership records can be adjusted.

Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age will be

covered regardless of age if they were covered prior to reaching the limiting age stated above.

Any children who are under your legal guardianship or who are in your custody under an interim court order of adoption or who are placed with you for adoption vesting temporary care will be covered.

This coverage does not include benefits for grandchildren (unless such children are under your legal guardianship) or foster children.

CHANGING FROM INDIVIDUAL TO FAMILY COVERAGE OR ADDING DEPENDENTS TO FAMILY COVERAGE

You can change from Individual to Family Coverage or add dependents to your Family Coverage because of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Birth, adoption or placement for adoption of a child.
- Obtaining legal guardianship of a child.
- Loss of eligibility for other health coverage for you or your dependent if:
 - a. The other coverage was in effect when you were first eligible to enroll for this coverage;
 - b. The other coverage is not terminating for cause (such as failure to pay premiums or making a fraudulent claim); and
 - c. Where required, you stated in writing that coverage under another group health plan or other health insurance coverage was the reason for declining enrollment in this coverage.

This includes, but is not limited to, loss of coverage due to:

- a. Legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, or reduction in the number of hours of employment;
- b. In the case of HMO coverage, coverage is no longer provided because an individual no longer resides in the service area or the HMO no longer offers coverage in the HMO service area in which the individual resides;
- c. Reaching a lifetime limit on all benefits in another group health plan;
- d. Another group health plan no longer offering any benefits to the class of similarly situated individuals that includes you or your dependent;
- e. When Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- f. When you or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

When Coverage Begins

Your Family Coverage or the coverage for your additional dependents will be effective from the date of the event if you apply for this change within 31 days of any of the following events:

- Marriage.
- Establishment of a Domestic Partnership.
- Birth, adoption, or placement of adoption of a child.
- Obtaining legal guardianship of a child.

However, an application to add a newborn to Family Coverage is not necessary if an additional premium is not required. Please notify your Group Administrator so that your membership records can be adjusted.

Your Family Coverage or the coverage for your additional dependents will be effective from the date you apply for coverage if you apply within 31 days of any of the following events:

- Loss of eligibility for other coverage for you or your dependent, except for loss of coverage due to reaching a lifetime limit on all benefits.
- Termination of employer contributions towards your or your dependent's other coverage.
- Exhaustion of COBRA continuation coverage or state continuation coverage.

If coverage is lost in another group health plan because a lifetime limit on all benefits is reached under that coverage and you apply for Family Coverage or to add dependents within 31 days after a claim is denied due to reaching the lifetime limit, your Family Coverage or the coverage for your additional dependents will be effective from the date your claim was denied.

Your Family Coverage or the coverage for your additional dependents will be effective no later than the first of the month after the special enrollment request is received if you apply within 60 days of any of the following events:

- Loss of eligibility for you or your dependents when Medicaid or CHIP coverage is terminated as a result of loss of eligibility; or
- You or your dependents become eligible for a premium assistance subsidy under Medicaid or CHIP.

You must request this special enrollment within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. Coverage will be effective no later than the first of the month after the special enrollment request is received.

CHANGING FROM FAMILY TO INDIVIDUAL COVERAGE

Should you wish to change from Family to Individual Coverage, you may do this at any time. Your Group Administrator will provide you with the application and tell you the date that the change will be effective.

TERMINATION OF COVERAGE

You will no longer be entitled to the benefits described in this Certificate if either of the events stated below should occur.

1. If you no longer meet the previously stated description of an Eligible Person.
2. If the entire coverage of your Group terminates.

Termination of the Group Policy automatically terminates your coverage under this Certificate. It is the responsibility of your Group to notify you of the termination of the Group Policy, but your coverage will automatically terminate as of the effective date of termination of the Group Policy regardless of whether such notice is given.

No benefits are available to you for services or supplies rendered after the date of termination of your coverage under this Certificate except as otherwise specifically stated in the "Extension of Benefits in Case of Termination" provision of this Certificate. However, termination of the Group Policy and/or your coverage under this Certificate shall not affect any Claim for Covered Services rendered prior to the effective date of such termination.

Unless specifically mentioned elsewhere in this Certificate, if one of your dependents becomes ineligible, his or her coverage will end as of the date the event occurs which makes him or her ineligible (for example, date of marriage, date of divorce, date the limiting age is reached).

Other options available for continuation of coverage are explained in the Continuation of Coverage After Termination Sections of this Certificate.

BENEFIT PAYMENT FOR DENTAL COVERED SERVICES

Benefit Period

Your Dental benefit period is a period of one year which begins on January 1st of each year. When you first enroll under this coverage, your first benefit period begins on your Coverage Date and ends on the first December 31st following that date.

In other words, after you incur eligible charges of more than the deductible amount for the Covered Services listed above in a benefit period, your benefits will begin for those services. Your other dental services are not subject to a deductible.

If you have any expenses during the last three months of a benefit period which were or could have been applied to that benefit period's deductible, these expenses will also count as credit toward the deductible of the next benefit period.

Family Deductible

If you have Family Coverage and 3 members of your family have each satisfied their deductible, it will not be necessary for anyone else in your family to meet a deductible in that benefit period. That is, for the remainder of that benefit period, any other family members are not required to meet a deductible before receiving dental benefits.

The maximum amount available for you in dental benefits each benefit period is \$1,000. This is an individual maximum. There is no family maximum.

Any expenses incurred beyond the benefit maximum are your responsibility.

IMPORTANT INFORMATION ABOUT YOUR DENTAL BENEFITS

Care By More Than One Dentist

If you should change Dentists in the middle of a particular Course of Treatment, benefits will be provided as if you had stayed with the same Dentist until your treatment was completed. There will be no duplication of benefits.

Alternate Benefit Program

In all cases in which there is more than one Course of Treatment possible, the benefit payment will be based upon the Course of Treatment bearing the lesser cost.

If you and your Dentist or Physician decide on personalized restorations or to employ specialized techniques for dental services rather than standard procedures, the benefits provided will be limited to the benefit for the standard procedures for dental services, as reasonably determined by Blue Cross and Blue Shield.

Pre-Estimation of Benefits

If your Dentist recommends a Course of Treatment that will cost more than \$300, your Dentist should prepare a Claim form describing the planned treatment, copies of necessary X-rays, photographs and models and an estimate of the charges prior to your beginning the Course of Treatment. Blue Cross and Blue Shield will review the report and materials, taking into consideration alternative adequate Course of Treatment, and will notify you and your Dentist of the estimated benefits which will be provided under this Benefit Section. This is not a guarantee of payment, but an estimate of the benefits available for the proposed services to be rendered.

Special Limitations

No benefits will be provided under this Benefit Section for:

1. Dental services which are performed for cosmetic purposes.
2. Dental services or appliances for the diagnosis and/or treatment of Temporomandibular Joint Dysfunction and Related Disorders, unless specifically mentioned in this benefit section.
3. Oral Surgery for the following procedures:
 - surgical services related to a congenital malformation;
 - surgical removal of complete bony impacted teeth;
 - excision of tumors or cysts of the jaws, cheeks, lips, tongue, roof and floor of the mouth;
 - excision of exostoses of the jaws and hard palate (provided that this procedure is not done in preparation for dentures or other prostheses); treatment of fractures of facial bone; external incision and drainage of cellulitis; incision of accessory sinuses, salivary glands or ducts; reduction of dislocation, or excision of, the temporomandibular joints.
4. Dental services which are performed due to an accidental injury when caused by an external force. External force means any outside strength producing damage to the dentition and/or oral structures.
5. Hospital and ancillary charges.

EXTENSION OF YOUR DENTAL BENEFITS IN CASE OF TERMINATION

If your coverage under this Certificate should terminate, benefits will continue for any dental Covered Services, except for periodontal treatment described in this Benefit Section as long as the Covered Service was begun prior to the date your coverage terminated and is completed within 30 days of your termination date. No benefits will be provided for periodontal treatment after the termination of your Certificate.

EXCLUSIONS—WHAT IS NOT COVERED

Expenses for the following are not covered under your benefit program:

— **Dental procedures which are not Medically Necessary.**

PLEASE NOTE THAT IN ORDER TO PROVIDE YOU WITH DENTAL CARE BENEFITS AT A REASONABLE COST, THE CERTIFICATE PROVIDES BENEFITS ONLY FOR THOSE COVERED SERVICES FOR ELIGIBLE DENTAL TREATMENT THAT ARE MEDICALLY NECESSARY. IT DOES NOT PAY THE COST OF ANY DENTAL CARE PROCEDURES THAT BLUE CROSS AND BLUE SHIELD DETERMINES WERE NOT MEDICALLY NECESSARY.

No benefits will be provided for procedures which are not, in the reasonable judgment of Blue Cross and Blue Shield, Medically Necessary. Medically Necessary means that a specific procedure provided to you is reasonably required, in the reasonable judgment of Blue Cross and Blue Shield, for the treatment or management of a dental symptom or condition and that the procedure performed is the most efficient and economical procedure which can safely be provided to you. The fact that a Physician or Dentist may prescribe, order, recommend or approve a procedure does not of itself make such a procedure or supply Medically Necessary.

- Services or supplies that are not specifically mentioned in this Certificate.
- Services or supplies for any illness or injury arising out of or in the course of employment for which benefits are available under any Workers' Compensation Law or other similar laws whether or not you make a claim for such compensation or receive such benefits. However, this exclusion shall not apply if you are a corporate officer of any domestic or foreign corporation and are employed by the corporation and elect to withdraw yourself from the operation of the Illinois Workers' Compensation Act according to the provisions of the Act.
- Services or supplies that are furnished to you by the local, state or federal government and for any services or supplies to the extent payment or benefits are provided or available from the local, state or federal government (for example, Medicare) whether or not that payment or benefits are received, except however, this exclusion shall not be applicable to medical assistance benefits under Article V or VI of the Illinois Public Aid Code (305 ILCS 5/5-1 et seq. or 5/6-1 et seq.) or similar legislation of any state, benefits provided in compliance with the Tax Equity and Fiscal Responsibility Act or as otherwise provided by law.
- Services and supplies for any illness or injury occurring on or after your Coverage Date as a result of war or an act of war.
- Services or supplies that do not meet accepted standards of medical and/or dental practice.
- Investigational Services and Supplies and all related services and supplies, other than the cost of routine patient care associated with Investigational

cancer treatment, if those services or supplies would otherwise be covered under the Certificate if not provided in connection with an approved clinical trial program.

- Services or supplies for which you are not required to make payment or would have no legal obligation to pay if you did not have this or similar coverage.
- Charges for failure to keep a scheduled visit or charges for completion of a Claim form.
- Services and supplies to the extent benefits are duplicated because the spouse, parent and/or child are employees of the Group and each is covered separately under this Certificate.

COORDINATION OF BENEFITS SECTION

Coordination of Benefits (COB) applies to this Benefit Program when you or your covered dependent has health care coverage under more than one Benefit Program.

The order of benefit determination rules should be looked at first. Those rules determine whether the benefits of this Benefit Program are determined before or after those of another Benefit Program. The benefits of this Benefit Program:

1. Shall not be reduced when, under the order of benefit determination rules, this Benefit Program determines its benefits before another Benefit Program; but
2. May be reduced when, under the order of benefits determination rules, another Benefit Program determines its benefits first. This reduction is described below in “When this Benefit Program is a Secondary Program.”

In addition to the Definitions Section of this Certificate, the following definitions apply to this section:

ALLOWABLE EXPENSE.....means a Covered Service, when the Covered Service is covered at least in part by one or more Benefit Program covering the person for whom the claim is made.

The difference between the cost of a private Hospital room and the cost of a semi-private Hospital room is not considered an Allowable Expense under the above definition unless your stay in a private Hospital room is Medically Necessary either in terms of generally accepted medical practice, or as specifically defined in the Benefit Program.

When a Benefit Program provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid.

BENEFIT PROGRAM.....means any of these which provides benefits or services for, or because of, medical or dental care or treatment:

- (i) Group insurance or group-type coverage, whether insured or uninsured. This includes prepayment, group practice or individual practice coverage.
- (ii) Coverage under a governmental plan, or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX of the Social Security Act).

Each contract or other arrangement under (i) or (ii) above is a separate benefit program. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate program.

CLAIM DETERMINATION PERIOD.....means a calendar year. However, it does not include any part of a year during which a person has no coverage under this Benefit Program, or any part of a year before the date this COB provision or a similar provision takes effect.

PRIMARY PROGRAM or **SECONDARY PROGRAM**.....means the order of payment responsibility as determined by the order of benefit determination rules.

When this Benefit Program is the Primary Program, its benefits are determined before those of the other Benefit Program and without considering the other program's benefits.

When this Benefit Program is a Secondary Program, its benefits are determined after those of the other Benefit Program and may be reduced because of the other program's benefits.

When there are more than two Benefit Programs covering the person, this Benefit Program may be a Primary Program as to one or more other programs, and may be a Secondary Program as to a different program or programs.

ORDER OF BENEFIT DETERMINATION

When there is a basis for a Claim under this Benefit Program and another Benefit Program, this Benefit Program is a Secondary Program which has its benefits determined after those of the other program, unless:

1. The other Benefit Program has rules coordinating its benefits with those of this Benefit Program; and
2. Both those rules and this Benefit Program's rules, described below, require that this Benefit Program's benefits be determined before those of the other Benefit Program.

This Benefit Program determines its order of benefit payments using the first of the following rules which applies:

1. Non-Dependent or Dependent

The benefits of the Benefit Program which covers the person as an employee, member or subscriber (that is, other than a dependent) are determined before those of the Benefit Program which covers the person as dependent; except that, if the person is also a Medicare beneficiary, Medicare is:

- a. Secondary to the Benefit Program covering the person as a dependent; and
 - b. Primary to the Benefit Program covering the person as other than a dependent, for example a retired employee.
2. Dependent Child if Parents not Separated or Divorced

Except as stated in rule 3 below, when this Benefit Program and another Benefit Program cover the same child as a dependent of different persons, called "parents:"

- a. The benefits of the program of the parent whose birthday (month and day) falls earlier in a calendar year are determined before those of the program of the parent whose birthday falls later in that year; but

- b. If both parents have the same birthday, the benefits of the program which covered the parents longer are determined before those of the program which covered the other parent for a shorter period of time.

However, if the other Benefit Program does not have this birthday-type rule, but instead has a rule based upon gender of the parent, and if, as a result, the Benefit Programs do not agree on the order of benefits, the rule in the other Benefit Program will determine the order of benefits.

3. Dependent Child if Parents Separated or Divorced

If two or more Benefit Programs cover a person as a dependent child of divorced or separate parents, benefits for the child are determined in this order:

- a. First, the program of the parent with custody of the child;
- b. Then, the program of the spouse of the parent with the custody of the child; and
- c. Finally, the program of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obligated to pay or provide the benefits of the program of that parent has actual knowledge of those terms, the benefits of that program are determined first. The program of the other parent shall be the Secondary Program. This paragraph does not apply with respect to any Claim Determination Period or Benefit Program year during which any benefits are actually paid or provided before the entity has that actual knowledge. It is the obligation of the person claiming benefits to notify Blue Cross and Blue Shield and, upon its request, to provide a copy of the court decree.

4. Dependent Child if Parents Share Joint Custody

If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the Benefit Programs covering the child shall follow the order of benefit determination rules outlined in 2 above.

5. Active or Inactive Employee

The benefits of a Benefit Program which covers a person as an employee who is neither laid off nor retired (or as that employee's dependent) are determined before those of a Benefit Program which covered that person as a laid off or retired employee (or as that employee's dependent). If the other Benefit Program does not have this rule, and if, as a result, the Benefit Programs do not agree on the order of benefits, this rule is ignored.

6. Continuation Coverage

If a person whose coverage is provided under a right of continuation pursuant to federal or state law also is covered under another Benefit Program, the following shall be the order of benefit determination:

- a. First, the benefits of a Benefit Program covering the person as an employee, member or subscriber (or as that person's dependent);
- b. Second, the benefits under the continuation coverage.

If the other Benefit Program does not contain the order of benefits determination described within this rule, and if, as a result, the programs do not agree on the order of benefits, this requirement shall be ignored.

7. Length of Coverage

If none of the above rules determines the order of benefits, the benefits of the Benefit Program which covered an employee, member or subscriber longer are determined before those of the Benefit Program which covered that person for the shorter term.

WHEN THIS BENEFIT PROGRAM IS A SECONDARY PROGRAM

In the event this Benefit Program is a Secondary Program as to one or more other Benefit Programs, the benefits of this Benefit Program may be reduced.

The benefits of this Benefit Program will be reduced when the sum of:

1. The benefits that would be payable for the Allowable Expenses under this Benefit Program in the absence of this COB provision; and
2. The benefits that would be payable for the Allowable Expenses under the other Benefit Programs, in the absence of provisions with a purpose like that of this COB provision, whether or not a claim is made;

Exceeds those Allowable Expenses in a Claim Determination Period. In that case, the benefits of this Benefit Program will be reduced so that they and the benefits payable under the other Benefit Programs do not total more than those Allowable Expenses.

If you are eligible for Medicare Part B, the benefits of this Benefit Program may be reduced taking into consideration the amount that would be payable for an Allowable Expense under Medicare Part B whether or not you have enrolled in Part B and/or received payment from Medicare.

When the benefits of this Benefit Program are reduced as described above, each benefit is reduced in proportion. It is then charged against any applicable benefit limit of this Benefit Program.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

Certain facts are needed to apply these COB rules. Blue Cross and Blue Shield has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Blue Cross and Blue Shield need not tell, or get the consent of, any person to do this. Each person claiming benefits under this Benefit Program must give Blue Cross and Blue Shield any facts it needs to pay the Claim.

FACILITY OF PAYMENT

A payment made under another Benefit Program may include an amount which should have been paid under this Benefit Program. If it does, Blue Cross and Blue Shield may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under this Benefit Program. Blue Cross and Blue Shield will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means reasonable cash value of the benefits provided in the form of services.

RIGHT OF RECOVERY

If the amount of payments made by Blue Cross and Blue Shield is more than it should have paid under this COB provision, it may recover the excess from one or more of:

1. The persons it has paid or for whom it has paid;
2. Insurance companies; or
3. Other organizations.

The “amount of payments made” includes the reasonable cash value of any benefits provided in the form of services.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Law)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the former spouse of an Eligible Person who has died or from whom you have been divorced. The provisions described in Article B will apply if you are the dependent child of an Eligible Person who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided under Article A.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: Continuation of Coverage if you are the former spouse of an Eligible Person or spouse of a retired Eligible Person

If the coverage of the spouse of an Eligible Person should terminate because of the death of the Eligible Person, a divorce from the Eligible Person, or the retirement of an Eligible Person, the former spouse or retired Eligible Person's spouse if at least 55 years of age will be entitled to continue the coverage provided under this Certificate for himself/herself and his/her eligible dependents (if Family coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Eligible Person or spouse of a retired Eligible Person only if you provide the employer of the Eligible Person with written notice of the dissolution of marriage, the death or retirement of the Eligible Person within 30 days of such event.
2. Within 15 days of receipt of such notice, the employer of the Eligible Person will give written notice to Blue Cross and Blue Shield of the dissolution of your marriage to the Eligible Person, the death of the Eligible Person or the retirement of the Eligible Person as well as notice of your address. Such notice will include the Group Number and the Eligible Person's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Eligible Person, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage and your covered dependents under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

- c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.
3. In the event you fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Eligible Person under this Certificate as a result of the dissolution of marriage, the death or the retirement of the Eligible Person. Your right to continuation of coverage will then be forfeited.
4. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, with Individual or Family Coverage, as the case may be, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginning with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.
7. Termination of Continuation of Coverage:

If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

 - a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still married to the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death or entry of judgment dissolving the marriage existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.

- c. the date on which you remarry.
 - d. the date on which you become an insured employee under any other group health plan.
 - e. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:
- a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate, except due to the retirement of the Eligible Person, under this Certificate if you were still married to the Eligible Person; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Eligible Person's death, retirement or entry of judgment dissolving the marriage existing between you and the Eligible Person, except in the event this entire Certificate is modified or terminated.
 - c. the date on which you remarry.
 - d. the date on which you become an insured employee under any other group health plan.
 - e. the date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.
9. If you exercise the right to continuation of coverage under this Certificate you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE B: Continuation of Coverage if you are the dependent child of an Eligible Person

If the coverage of a dependent child should terminate because of the death of the Eligible Person and the dependent child is not eligible to continue coverage under ARTICLE A or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

- 1. Continuation will be available to you as the dependent child of an Eligible Person only if you, or a responsible adult acting on your behalf as the dependent child, provide the employer of the Eligible Person with written

notice of the death of the Eligible Person within 30 days of the date the coverage terminates.

2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Eligible Person with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.
3. Within 15 days of receipt of such notice, the employer of the Eligible Person will give written notice to Blue Cross and Blue Shield of the death of the Eligible Person or of the dependent child reaching the limiting age, as well as notice of the dependent child's address. Such notice will include the Group number and the Eligible Person's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Eligible Person, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.
 - c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.
4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Eligible Person under this Certificate as a result of the death of the Eligible Person or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.
5. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Eligible Persons under this Certificate.
6. The monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Eligible Person, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Eligible Person under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:
 - a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Eligible Person.
 - c. the date on which you become an insured employee, after the date of election, under any other group health plan.
 - d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Eligible Person covered under this Certificate, except as specifically stated in these provisions.
9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a “direct pay” basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE RIGHTS UNDER COBRA. See your employer or Group Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;

- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or

both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

If You Have Questions

Questions concerning your Plan or your COBRA continuation coverage rights, should be addressed to your Plan Administrator. For more information about your rights under ERISA, including COBRA, the Health Insurance Portability and Accountability Act (HIPAA), and other laws affecting group health plans, contact the nearest Regional or District Office of the U. S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit the EBSA website at www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.)

Keep Your Plan Informed Of Address Changes

In order to protect your family's rights, you should keep the Plan Administrator informed of any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.

Plan Contact Information

Contact your employer for the name, address and telephone number of the party responsible for administering your COBRA continuation coverage.

CONTINUATION OF COVERAGE FOR DOMESTIC PARTNERS

The purpose of this section of your Certificate is to explain the options available for temporarily continuing your coverage after termination, if you are covered under this Certificate as the Domestic Partner of an Eligible Person or as the dependent child of a Domestic Partner. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are the Domestic Partner or the dependent child of a Domestic Partner and you lose coverage under this Certificate, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or a dependent child are described in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) section and the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable to your Group.

NOTE: Certain employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA.

In addition to the events listed in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) section and the CONTINUATION COVERAGE RIGHTS UNDER COBRA section, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Domestic Partnership with the Eligible Person terminates. Your Domestic Partnership will terminate if your partnership no longer meets the criteria described in the definition of “Domestic Partnership” in the DEFINITIONS SECTION of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

GENERAL PROVISIONS

1. BLUE CROSS AND BLUE SHIELD'S SEPARATE FINANCIAL ARRANGEMENTS WITH PROVIDERS

Blue Cross and Blue Shield hereby informs you that it has contracts with certain Providers (“Plan Providers”) in its service area to provide and pay for dental care services to all persons entitled to dental care benefits under dental policies and contracts to which Blue Cross and Blue Shield is a party, including all persons covered under this Certificate. Under certain circumstances described in its contracts with Plan Providers, Blue Cross and Blue Shield may:

- receive substantial payments from Plan Providers with respect to services rendered to you for which Blue Cross and Blue Shield was obligated to pay the Plan Provider, or
- pay Plan Providers substantially less than their Claim Charges for services, by discount or otherwise, or
- receive from Plan Providers other substantial allowances under Blue Cross and Blue Shield’s contracts with them.

In the case of Dentists, the calculation of any maximum amounts of benefits payable by Blue Cross and Blue Shield under this Certificate and the calculation of all required deductible and Coinsurance amounts payable by you under this Certificate shall be based on the lesser of the Usual and Customary Fee or Provider’s Claim Charge for Covered Services rendered to you. Your Group has been advised that Blue Cross and Blue Shield may receive such payments, discounts and/or other allowances during the term of the Policy. Neither the Group nor you are entitled to receive any portion of any such payments, discounts and/or other allowances.

2. PAYMENT OF CLAIMS AND ASSIGNMENT OF BENEFITS

- a. Under this Certificate, Blue Cross and Blue Shield has the right to make any benefit payment either to you or directly to the Provider of the Covered Services. For example, Blue Cross and Blue Shield may pay benefits to you if you receive Covered Services from a Non-Plan Provider. Blue Cross and Blue Shield is specifically authorized by you to determine to whom any benefit payment should be made.
- b. Once Covered Services are rendered by a Provider, you have no right to request Blue Cross and Blue Shield not to pay the Claim submitted by such Provider and no such request will be given effect. In addition, Blue Cross and Blue Shield will have no liability to you or any other person because of its rejection of such request.
- c. A Covered Person’s claim for benefits under this Certificate is expressly non-assignable and non-transferable in whole or in part to any person or entity, including any Provider, at anytime before or after Covered Services are rendered to a Covered Person. Coverage under this Certificate is expressly non-assignable and non-transferable and will be forfeited if you attempt to assign or transfer coverage or aid or attempt

to aid any other person in fraudulently obtaining coverage. Any such assignment or transfer of a claim for benefits or coverage shall be null and void.

3. YOUR PROVIDER RELATIONSHIPS

- a. The choice of a Provider is solely your choice and Blue Cross and Blue Shield will not interfere with your relationship with any Provider.
- b. Blue Cross and Blue Shield does not itself undertake to furnish health care services, but solely to make payments to Providers for the Covered Services received by you. Blue Cross and Blue Shield is not in any event liable for any act or omission of any Provider or the agent or employee of such Provider, including, but not limited to, the failure or refusal to render services to you.
